How to Register Your Clicker at UGA

1. Start by going to http://student.turningtechnologies.com

2. Enter your Device ID from the back of your clicker (0 is always zero, I is always one). Enter your First name and Last name, and in the “Other info” field, enter your MyID (the first part of your UGA e-mail address).

3. Enter the Security Image information. Click Next.

4. Type in your Instructor’s UGA e-mail address, then Display Classes.

5. Select desired class(es), clicking Add after each selection. When all classes are added click Next.

6. IMPORTANT: Click Complete Registration.
