

Adding Blackboard Collaborate via External Learning Tools

This worksheet will show you how to add a link to Blackboard Collaborate via External Learning Tools. This allows you to add the link in your Content area.

Adding Collaborate to Your eLC Course

Create a new module (or use an existing one), click **Add Activities**, then select **External Learning Tools**.

Click **Blackboard Collaborate**. A link to Collaborate has been added to the module.

If you are using the Course Builder Tool

Create Module

General

Name *

Notes

Restrictions

Dates

Has Start Date

11/13/2013 11 16 AM United States - New York Now

Has End Date

11/20/2013 11 16 AM United States - New York Now

Display in Calendar

Create **Cancel**

Create a new Module or add Collaborate to an existing Module.

My Home > LTI Test Course

Content Manage Files **Course Builder**

Build Outline

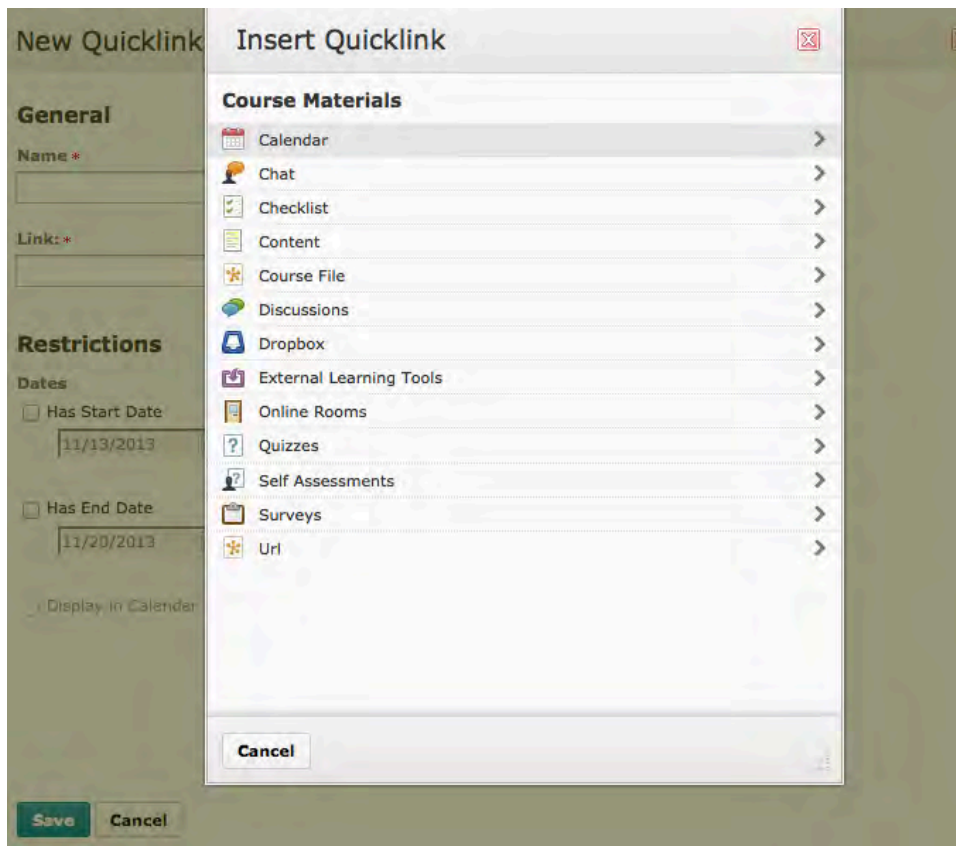

Drag or click modules and placeholders to build your course outline.

Collaborate LTI Test Module

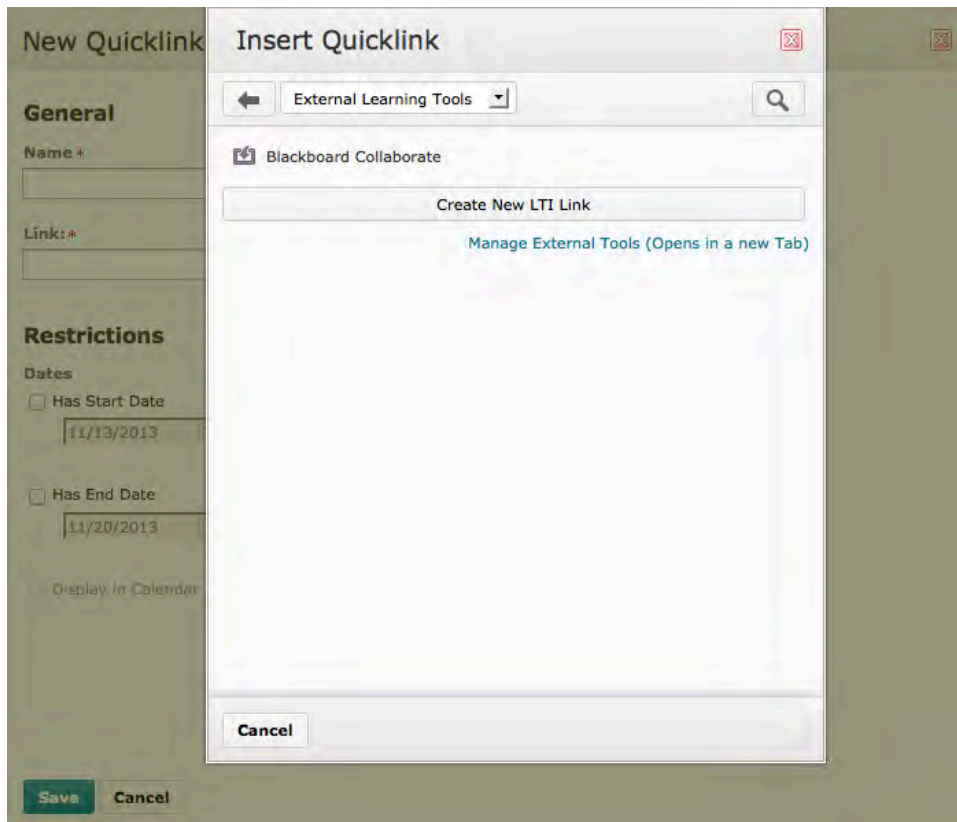

Add Content

Drag or click items to create new content and fill in placeholders.

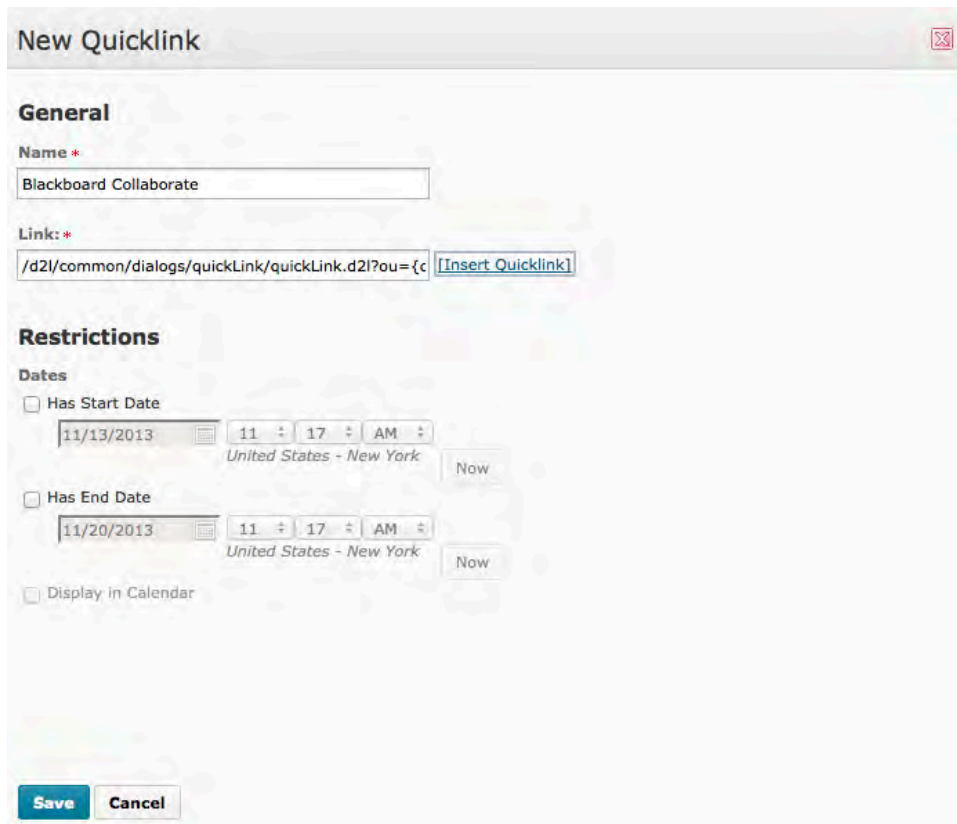

Under **Add Content**, select **Create a Link**.

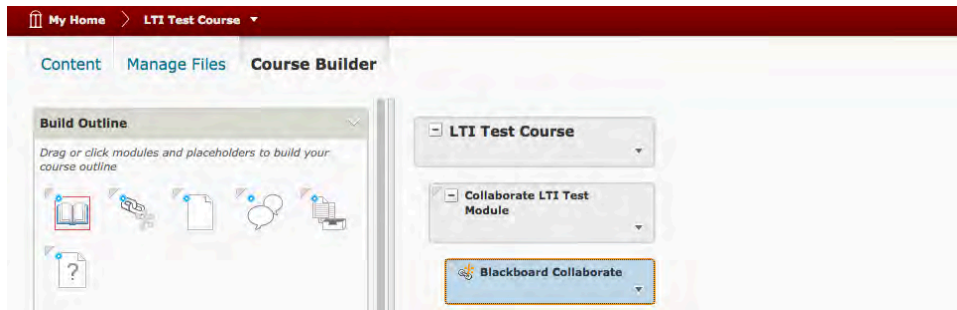

Click **Insert Quicklink**, then choose **External Learning Tools**

Select **Blackboard Collaborate**

Click **Save**

A link to Blackboard Collaborate has now been added.
