

# CENTER FOR TEACHING & LEARNING

If you are having problems viewing the stream, please make sure you are using the latest version of Adobe Flash. You should attempt to view using an alternate browser or clear your browser's cache (see instructions below).

**NOTE:** If you are using wireless it may take longer to load. Please be patient.

## **HOW TO CLEAR CACHE:**

### **CHROME**

- Go to “Settings”
- Click on “Show Advanced settings” at the bottom of the page
- Click on “Clear Browsing Data” under the “Privacy” section
- Select “Beginning of Time” from the “Obliterate the following items” drop down menu. Make sure all boxes are checked in this section
- Click “Clear Browsing Data”
- “Refresh” Browser

## **FIREFOX**

- Go to “Tools”
- Click on “Options”
- Click on the “Privacy” tab
- Select “Never Remember History”
- Click “Clear All Current History”
- Click “Okay”
- Refresh Browser

## **SAFARI**

- Go to “Preferences”
- Click on “Privacy” tab
- Select “Remove all website data”
- “Refresh” Browser

## **INTERNET EXPLORER**

- Go to “Tools”
- Click on “Internet Options”
- Under “Browsing History” check box labeled “Delete Browsing History on Exit”
- Click “Delete”
- Make sure “All” boxes are checked and click “Delete” again
- “Refresh” Browser
